Make networking work for you! An EuropaCat workshop organized by YEUCat

 Sunday 27.08.2023 2-4 pm  Terrace 2B, Prague Congress Centre

 **If you identify as a young professional in catalysis, you're it!**

Why would you want to know more about YEUCat?

Is YEUCat useful for you?

How important is outreach? Can it help me in my professional career?

Should I even bother with it if I ultimately aim for a career in industry?

And what's the value of an international network?

If questions like these are on your mind, we invite you to get answers to them!

Join us at our Sunday afternoon workshop prior to the Welcome Reception.

Participation is free of charge, but please register at Eventbrite:

<https://www.eventbrite.com/e/make-networking-work-for-you-tickets-660573080867>

We are looking forward to meeting you!
